

Reaching out to rural Oklahoma

Assurance is a locally-owned and operated agency that provides home health care services to those living in south-east Oklahoma. We know that in rural Oklahoma access to certain services may be limited, and we are here to help.

At Assurance, we can provide the care of Skilled Nurses, Home Health Aides and Physical Therapists. We are Medicare and Medicaid certified and we also accept private pay/insurance, Workmen's Compensation, and Employee Assistance Programs. Assurance provides health care service to the community, demonstrating a spirit of love, compassion, and professionalism.
